

MEET THE TEACHER

Shelbi Ramey

ALL ABOUT ME

I'm teacher Shelbi and I am one of the Junior class teachers. I am originally from California, but I have been in Oregon for 7 years. I moved to Corvallis, Oregon to attend Oregon State University. Now I live here in Lake Oswego with my husband Spencer and our cat Coco. We love to explore new places and spend a lot of time outdoors. I love to go fishing, boating, and swimming. I also love to cook new recipes, and attempt DIY projects.

MY EDUCATION

I earned my Bachelors of Science in Psychology from Oregon State University. I knew I wanted to work with children so I took classes in development and language. Through college I was a Nanny for a young girl with disabilities. I also taught summer cooking classes for sixth graders during the summer. When I moved to Lake Oswego I went into adult caregiving for a year and missed working with children. I began teaching a class of two and three year olds and knew that teaching was right for me. I am happy to be apart of Mountain Park Playschool and to grow as a teacher.
