

MEET THE TEACHER

Lacey Meuchel

ALL ABOUT ME

I'm Teacher Lacey and I am one of the Pre-K teachers. My family is originally from Montana, but we have lived in various places across the country while my husband pursues his dream of getting his PhD and MD. My husband and I have a 7 year-old boy and another boy on the way! I enjoy spending time with my boys, hiking, scrapbooking, and just relaxing!

MY EDUCATION

I have a Bachelor's degree in Elementary Education that I received from the University of Montana. Right after graduation, my husband and I relocated to Minnesota. Once in Minnesota, I began working for a learning center where I was in charge of the Kindergarten before and after school program. I eventually worked my way to the Assistant Director and the summer coordinator for the Kindergarten through 5th grade program. Due to my husband's schooling, we then moved to Maryland where I worked with infants through 5 year-olds. Once again, we moved so my husband could attend medical school and I was able to become a part of the Playschool family. I have been a part of child care for 12 years and have enjoyed every minute.
