

THE PLAYSCHOOL AT MOUNTAIN PARK INCLEMENT WEATHER POLICY

In general, the Playschool will follow the Lake Oswego School District for weather related closures and delays. If the schools delay opening, we will open 10:30am.

For the safety of the staff (and your children), we reserve the right to close the Playschool if weather conditions here in Mountain Park are adverse. When the weather is questionable, check your email or call the Playschool to determine if we will be open. We will send out an email announcing the closure or delay, or we will be here.

Thank you!
