ALL ABOUT ME

I am Teacher Jackie and I am one of the preschool teachers. I live in Wilsonville with my husband Kevin. We have been married for 24 years. We have 3 children, 2 boys and 1 daughter. I started in child care when I was 16 and continued through the years. I love to go camping and taking my dog for long walks. Scrapbooking is my hobby! I love creating memories for my family.

MY EDUCATION

I started my education in high school taking child education classes and continued my training through Clackamas Community College working towards my associates in child development. I was a medical foster parent for over 3 years working with children with disabilities and helping the families. I started working for the Playschool 2 years ago as a toddler teacher and now I have moved up to preschool. Through my years of childcare, I have worked with children ages newborn to school age.
