

MEET THE TEACHER

Jordan Knudsen

ALL ABOUT ME

I'm Teacher Jordan and I am one of the preschool teachers. I live in Portland with my boyfriend, Ryan, who I have been with for 5.5 years. I love to travel to new places and try new things. Some of my favorite activities are hiking, paddle boarding and shopping. I also love spending time with my friends and family.

MY EDUCATION

I have a degree in Merchandising Management from Oregon State University. Shortly after entering the retail world, I decided that it wasn't my true calling. I have always loved working with children and found it to be my passion when I started working at The Playschool. I began my time here as a seasonal floater and eventually joined the Toddler class as a teacher. After 2 years I moved up to the Junior Preschool as the lead teacher. I have grown so much as an educator the past couple of years and I am so excited to explore, create and discover with my new group of kids, the Pre-school Class!
