CLASS DESCRIPTIONS

bootybarre

Fuses techniques from Dance, Pilates, and Yoga to tone, define and chisel the body. A perfect combination of strength and flexibility with a cardiovascular element utilizing the barre

Boot Camp

Our Boot camp is designed for MAXIMUM calorie burn in the shortest amount of time. We want to get you fit, get you healthy, challenge your mind, challenge your body, and get results

Chair Yoga

For anyone who has ever hesitated to try yoga because of the challenge of getting down onto the floor or doing standing poses. Any pose that can be done standing, sitting, or lying on a mat can be on a chair.

Cycle Bootcamp

This 50 minute class mixes cardio training on the bike with bodyweight and weighted movements off the bike to mix things up. Aimed to help balance out your posture, longevity, and performance.

F.I.R.E

This class is a blend of everything from kickboxing to strength and everything in between.

Functional Core

Focus on toning and strengthening the core with a combination of weighted moves, stability balls and bodyweight movements.

LIFT & Balance

A low impact class focusing on functional strength and improving cardiovascular health. All levels welcome but geared toward those with limitations.

MELT for Pilates

MELT techniques are used to prepare the body to move into better alignment, and to gain more precision and control over the mat Pilates exercises. This class will help to bring the body back to its ideal state -- especially while exercising.

Nia

Nia is a cardio dance class incorporating dance, martial arts, and healing arts. Perfect for everyone at every level. With an ongoing practice, Nia promotes mindfulness, holistic fitness and well-being.

PiYo Live!

A fun, challenging fusion of Pilates and Yoga inspired movements. Burn calories as you tone muscles, work on balance and flexibility with dynamic movements that will increase your cardiovascular capacity!

Pilates

A dynamic core conditioning method that incorporates techniques both standing and on the mat. Build flexibility, strength, endurance, and more.

Spin

An all-terrain ride that will burn calories, build strength, and improve fitness solely on the bike.

Strength & Conditioning

This class is designed for MAXIMUM calorie burn in the shortest amount of time. We want to get you fit, get you healthy, challenge your mind, challenge your body, and get results.

Yoga

Relax, get focused, and connect with your body in this rewarding class. Learn proper form and breathing while practicing a broad range of yoga postures.

Zumba

A fusion of Latin and hip hop-based movements mixed together for the ultimate burn and maximum fun! Great for all fitness levels!

Zumba Gold

The same great Zumba formula at a lower intensity. Each class has a longer warm up and cool down to allow participants a program improves balance, flexibility and cardiovascular strength.

AquaFit: An active workout designed to improve aerobic fitness, strength and flexibility. This class is taught in the Lap Pool.

Aqua Strength & Flex: Is geared to improve balance and mobility by working in warmer water. This class taught in the Leisure Pool.

Deep Water Aerobics: In this no impact class you will focus on building cardiovascular capacity This class takes place in the deep end of the lap pool. You are given a floatation belt to help support you during an Active workout with no impact.

Aqua Yoga: This is a low impact aqua class that preforms yoga poses in warm water. The poses will help improve balance, strength and range of motion.
