

# MEET THE TEACHER

Shelbi Ramey

## About Me

I'm teacher Shelbi! I'm from originally from California. I went to Oregon State University where I earned my Bachelors of Science in Psychology. I also met my husband Spencer in Corvallis, and we moved to Lake Oswego 3 years ago. We live in Mountain Park with our two cats Coco and Grace. I've been working with children my whole life through babysitting and being an older sibling, but have been professionally teaching for 3 years. This will be my second year at Mountain Park Playschool!
