

Standards for Mountain Park Clubhouse

*Adopted by the Board of Directors on January 29, 2019
Revisions made effective by the Board of Directors on April 1, 2020*

Objective

The objective of these rules is to clarify the standards for enforcement of the Clubhouse rules and how they will be applied and enforced by the Mountain Park Home Owners Association (Association).

Authority

These rules are authorized by Mountain Park's Codes, Covenants, & Restrictions, the Board of Director's resolutions and decisions, [ORS 94.630\(1\)\(a\)](#), and [ORS 94.640](#).

Internal Operating Procedures

To facilitate the implementation of these rules, the Association's Executive Director and staff are responsible for monitoring compliance with these standards and managing the Association's internal operations regarding these standards as required by the Board of Directors (Board) and the Clubhouse Committee (Committee).

Applicable Laws

All compliance standards of the Association are subordinate to the regulations of Federal, State and local laws; however, Association rules may be more restrictive than legal requirements and will be applied unless the Association's more restrictive rules conflict with legal requirements.

When a violation of these standards occurs that is also a violation of the law, the Association reserves the right to report this to the appropriate authorities.

Standards of Local Associations

Other organizations within the Mountain Park community, including other local homeowners associations, have rules and policies related to properties that have an overlapping scope with those of the Association. Any policies or rules of a local association within Mountain Park are independent from the policies and rules described in this document. In the event of any conflict, the Association's rules and procedures supersede any local association's policies and rules, unless the local association's rules are more restrictive.

Standards of Other Standing Committees

In addition to the Clubhouse Committee, there are three other standing committees that have authority delegated to them by the Mountain Park Board of Directors for developing and enforcing rules of the Association. These committees are the Architectural Committee, the Common Property Committee, and the Home Maintenance Committee. The documents related to those committees can be found on the MPHOA website www.mtparkhoa.com under the tab marked Committees.

The three committees listed deal with external property within the community while the Clubhouse Committee develops and enforces its rules concerning clubhouse behaviors and interactions with Association staff.

Enforcement Actions

The procedures for enforcing these standards are provided in Section II. Compliance Procedures beginning on the next page.

Rule Violation Enforcement

Penalties for violations are assessed according to the Penalty Schedule set out in **Appendix 2** to this document.

Clubhouse Rules

Mountain Park Clubhouse Rules are enforced in their entirety and are within this document.

COMPLIANCE PROCEDURES

1. Staff Resolution of Compliance Problems

Ensuring compliance with the rules and standards of the Association is the responsibility of the Board, working in concert with its committees, and MPHOA staff.

The Clubhouse person responsible for day-to-day compliance with Clubhouse Rules is the Manager on Duty (MOD). The MOD together with the Clubhouse Member Services Coordinator has a broad range of responsibilities that include: a) identifying compliance problems; b) communicating with Members and residents (hereinafter “Users”) about compliance problems; c) working with Users to achieve voluntary compliance; and d) issuing a Notice of Violation and Opportunity for Hearing (NOV) when this action is appropriate.

At every monthly meeting of the Committee, a MOD or staff member will report on compliance activities regarding the Committee’s rules. The report must include a summary of all compliance issues that resulted in the issuance of a NOV, as well as any other information for Committee review as determined by the MOD and the Committee.

2. Compliance Procedures for Clubhouse Rules

OVERVIEW OF COMMITTEE’S RESPONSIBILITY

If possible, the MOD will verbally inform a User of a situation involving violation of a Clubhouse Rule as soon as becoming aware of the violation. If informal action by the MOD does not result in voluntary compliance, the Member Services Coordinator will send a letter to the User notifying of the NOV and informing the User of the right to request a hearing before the Committee. If a hearing has been requested to contest the allegations in an NOV, the Committee will conduct the hearing before making its decision. At its meeting, the Committee will review all NOV’s that have been issued and decide for each whether there is a violation and if so, the appropriate action or sanction.

Clubhouse management is authorized to remove any User from Clubhouse premises or activities for a reasonable time for conduct that is in violation of the Rules after receiving an initial warning. Clubhouse management may, in its judgment, remove any User without warning if their conduct threatens the immediate safety of any User(s), Staff, or MPHOA property.

HEARING REQUESTS

After issuance of an NOV, and before any sanction may be imposed, the User has the opportunity to request a hearing before the Committee to contest the rule violation(s).

The User must request a hearing in writing within 15 calendar days following the date of the NOV (defined by date of postmark or electronic posting) if the User wants to contest the NOV. Any written information the User wants considered by the Committee must be provided to the Committee within 15 calendar days following the date of the NOV. The Committee will provide an opportunity for a hearing that is within 45 calendar days from the date the NOV was provided or mailed to the User.

TIMELY RECEIPT OF DOCUMENTS

Documents must be received from Members within the timeframes specified in these procedures or as specified by the Committee. Documents are considered received according to the date of mailing (postmark) or upon receipt of an electronic submission. The Committee will determine if the hearing request or any other submissions was received within the specified timeframes if disputes arise regarding the timely receipt of documents.

CONTESTED NOVS

CONDUCT OF THE HEARING

If a hearing was requested, the Committee will conduct the hearing. At the hearing, the User may explain the User's position concerning the NOV. The MOD or staff, and the User may present information from witnesses and provide documents and pictures. The Committee may ask questions and request further information in order to make its decision. The Committee may set reasonable time limits for oral presentations, discussion and submission of any requested documentation.

The Committee will consider the information presented at the hearing by the MOD and staff, and by the User, to assist in making its decision. The Committee will determine whether there was a violation and the appropriate sanction, if any. The Committee's decisions must be reasonable, based on applicable rules and policies and consistent with prior decisions having the same or substantially similar issues.

Within 7 days of the hearing, the decision of the Committee will be provided to the User in writing and must include notice of the User's right to appeal the decision to the Board of Directors. If the User decides to appeal to the Board, the User must appeal the decision within 15 calendar days of the date of the Committee's written decision. The appeal to the Board must be in writing and provide the specific reasons the User objects to the Committee's decision.

If no timely appeal is filed, the Committee's decision will be presented to the Board for ratification and adoption as the final decision. Any sanctions are effective immediately after the Board issues its final decision.

APPEAL TO THE BOARD OF DIRECTORS

The Board's review on appeal shall be limited to consideration of the documents, pictures, and written information presented to the Clubhouse Committee, the Committee's decision, and the objections raised in the User's appeal. The User may explain the specific objections raised in the appeal based on the information previously provided by the User to the Committee. The Board may request an explanation from the Committee and the MOD and staff regarding the Committee's decision and the issues raised in the appeal by the User.

Based on the User's specific objections provided in the appeal, the Board of Directors may determine that there was no violation, ratify and adopt the Committee's decision, or return the matter to the Committee for reconsideration.

The Board will provide its decision in writing to the User. Any sanctions are effective immediately after the Board issues its final decision.

UNCONTESTED NOV'S

If no hearing was requested, the Committee will consider the allegations in the NOV and determine whether there was a violation and the appropriate penalty. In making its decision, the Committee may consider any additional information requested by the Committee or presented to the Committee by the MOD or staff. The Committee's decisions must be reasonable, based on applicable rules and policies, and consistent with prior decisions having the same or substantially similar issues. If the NOV was not contested and no hearing was held, no appeal may be made to the Board.

The Committee's decision will be presented to the Board for ratification and adoption as the final decision. The decision of the Committee will be provided to the User in writing. Any sanctions are effective immediately after the decision is provided to the User.

REPORTING COMMITTEE ACTIONS

Whenever there has been an action by the Clubhouse Committee regarding any NOV, there will be a report presented within 30 days to the Board of Directors.

EFFECTIVE DATE

The effective date of these standards and procedures is April 1, 2019. These standards and procedures apply to all violations pending on the effective date after reasonable notice is provided to any affected Members.
