# **CLASS DESCRIPTIONS**

#### **Pilates**

A full body workout that helps create long, lean muscles. Pilates is performed on a mat on the floor, using gravity and your body's own resistance to work the muscles.

### Cycle

Join us for a classic, high-intensity cyclying workout. This class is a fun, challenging, and energizing way to get your cardio!

#### Barre

Barre fuses techniques from dance, pilates, and yoga to tone, define and chisel the body. A perfect combination of strength and flexibility with a cardiovascular element utilizing the barre.

#### Zumba

Filled with Latin and World rhythms, Zumba delivers a total workout – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class. No experience necessary, every body is welcome! Let's party!

#### Yogalates

Yogalates is a focused class that combines Yoga asanas and Pilates core movement for a body, mind and soul workout.

#### Zumba Gold

The same great Zumba formula at a lower intensity. Each class has a longer warm up and cool down to allow participants a program that improves balance, flexibility, and cardiovascular strength.

# Gentle CardioYo

A blend of nonimpact floor cardio movements, followed by basic standing yoga poses with or without very light weights. No yoga experience necessary.

# **Fitness Equipment Orientation**

Learn more about how to use the fitness equipment in the weight room - both strength and cardio machines - join us for a 30-minute orientation.

#### Line Dancing

Join us for a fun-filled hour learning one to two line dances per class - so fun you forget your getting fit at the same time!

# **Body Sculpt**

This class is designed to help build strength and endurance. It includes resistance training, body weight exercises and finishes with core training and stretching for a complete workout.

#### HIIT It

Get ready to sweat! HIIT It is a high intensity class influenced by boxing conditioning exercises that will help you develop power, muscular endurance, and cardiovascular endurance. \*Feel free to bring your own boxing gloves if you have them.

#### **Gentle Yogalates**

Yogalates is a focused class that combines gentle Yoga asanas and gentle Pilates core movement for a body, mind and soul workout.

# Vinyasa Flow Yoga

This class focuses on the flow of one position to the next, often matched to controlled breathing.

#### Vinyasa/Yin Yoga

This type of yoga class is a combination of vinyasa flow while also holding a pose for a longer amount of time to get a deeper stretch.

#### Chair Yoga

Yoga that eliminates the challenge of getting down on the floor with standing, sitting, and mat poses performed on a chair.

#### Tai Chi

A slow-paced, low impact, gentle movement class based on 24movement Short Form. Increase balance and enhance well-being.

#### Yoga Flow & Deep Stretch

Easy Yoga flow and deep stretch to extend and improve flexibility and joint mobility.

## Sit & Be Fit

You can utilize a chair, or choose to stand for this class! This class focuses on resistance training in a safe and effective way to give you a full body workout.

# L.I.F.T. & Balance (Low Impact Functional Toning)

Workouts focused on proper body mechanics, balance, and alignment to help improve quality of life and decrease risk of injury.

# **AQUATICS**

# **Aqua Strength & Flex**

This class is geared to improve balance and mobility by working out in warmer water. Class taught in the Leisure Pool.

# **Deep Water Aerobics**

This class focuses on aerobic endurance and resistance training to upbeat music. Flotation devices are used so there is no impact on knees and hips. A great workout, come join the fun!

# AquaFit

An active workout designed to improve aerobic fitness, strength, and flexibility.

# AquaYoga

An active workout designed to improve balance, strength, and flexibility.

# **Aqua Fusion**

This is a fun, all over cardio, toning and strength class utilizing a variety of different equipment.
