

All about me

My name is Jackie, and I am a preschool teacher. I live in Wilsonville with my husband, Kevin, and our dog, Mambo. We have 3 children.

I love to go camping and taking long walks with my dog. Crafting is my favorite hobby and I love creating memories with my family.

Experience

I started my education in high school taking early childhood education classes. I continued my training through Clackamas Community College working towards my associates in child development. I have been working at The Playschool for 8 years.
