

MEET THE TEACHER

Jordan Knudsen

About Me

My name is Jordan and I am one of the preschool teachers! I live in Beaverton with my boyfriend, Ryan, and we have been together since college. We recently adopted a puppy named KOOPA. I love to travel and spend time with my friends & family in my free time. I have a degree in Merchandising Management from OSU but discovered early on after college that my passion was with children. I have worked at The Playschool for almost 5 years now. I began in the toddler class, then moved up to Junior Preschool and this is my 2nd year in the Preschool class. I am so excited to explore, create and discover with this new group of kids!
