

MEET THE TEACHER

Lacey Meuchel

About Me

I am one of the Pre-K teachers. My family is originally from Montana, but we have lived in various places across the country while my husband pursued his PhD and MD. I have a Bachelor's degree in Elementary Education and have over 12 years experience working in early childhood education. I have an 8 year-old boy and a 9 month old boy. I enjoy hiking, scrapbooking and just relaxing!
