## FAQs

### Can I add more than one email to my account?

Yes! Click the "New Contact" button at the bottom of the screen to add another email address.

### Will I still get e-news alerts if I select "Paper" as my General Communication Preference?

Unfortunately, no. The HOA e-mails out news several times per month and does not have the resources or capacity to mail hard copies. However, legal documents and policies will be mailed to your home address.
