COMMITMENT & CANCELLATION

Commitment Agreement:

It is the participant's responsibility to follow instructions, behave positively, and be an active member of all program activities. Campers are expected to function 100% independently as individuals and within a group setting. They must be able to comprehend and follow basic instructions and be able to change clothes and use restroom facilities without assistance. Staff to camper ratio constraints disallow KidZone from being able to provide extra assistance to individual campers. Any behavior deemed inappropriate or unsafe by Mt. Park HOA staff will be faced with consequences. Disrespectful behavior towards Mt. Park HOA staff or the facility is unacceptable. Emotional or physical bullying of any type will not be tolerated and is grounds for suspension from camp. Failure to adhere to program policies is cause for dismissal with no refund of fees, except as determined on a case by case basis by the Community Relations Manager.

Refund/Cancellation Policy:

- Failure to adhere to program policies is cause for dismissal with no refund of fees.
- A full refund will be given if written notification of cancellation is given at least *two weeks prior* to the start of the program.
- No refund will be given if a participant leaves a program early for any reason, cancels within two weeks of the start of the program, or does not show up for the program.
- Missing a scheduled program for medical reasons warrants a refund/credit as long as documentation from a medical professional can be provided to Mountain Park HOA.
- Refunds/Credits will not be provided in the case of any emergency amenity closures unless determined otherwise by the Community Relations Manager.

AUTHORIZED PERSONS FOR PICK-UP

Only the people on this list will be able to pick up the campers. Photo identification is required for new pick-up persons. Notify the KidZone staff of any additions.

COVID-19

KidZone at the Mountain Park HOA reserves the right to cancel camp days or weeks even if there are children pre-registered or fully registered to attend. Due to current circumstances regarding COVID-19, we cannot guarantee that all camp dates will be available this summer. The Mountain Park Clubhouse facility is required to abide by all State of Oregon mandates and social distancing measures. If the Board of Directors votes to continue closure of the facility, some currently scheduled days or weeks of KidZone Camp may not be available. If any camp dates are cancelled, you will be notified by email as far in advance as possible but cancellations may occur up until the day of camp. Please be mindful of this prior to registering.

RISK

It is important to understand that although KidZone takes every precaution to do what we can to avoid a COVID-19 outbreak, there is no way the risk can be eliminated entirely. By voluntarily allowing your child to participate in KidZone Camps, you are acknowledging this risk.

POTENTIAL CASE

KidZone will immediately notify camp families if any staff member or camper has potentially been exposed to COVID-19. Since the potential case is not a confirmed case, camp will remain open. If you choose not to have your child attend camp after that announcement, please know that camp fees for the week in which the potential case was disclosed will not be refunded and that KidZone's two-week notice cancellation policy will remain in effect.

POSITIVE CASE

If KidZone has been informed of a positive case of a staff member or camper, the camp will be cancelled for the following 14 days and undergo extensive cleaning procedures. The camp may be cancelled for a longer period of time if deemed necessary by public health authorities and Mountain Park staff. Camp fees for single days, partial weeks, or full weeks cancelled will be refunded.

PARENT/GUARDIAN EXPECTATIONS

As a parent/guardian, we request that you please abide by the following expectations:

- Do not send your child to camp if they have had a presumptive positive test for COVID-19, a positive test for COVID-19, or direct exposure to a person infected with COVID-19 within the last 14 days.
- Do not send your child to camp if they or anyone within the child’s household has developed a new cough, fever, shortness of breath, or another symptom of COVID-19 within the last 10 days.
- Do not send your child to camp if they have had a fever within the last 72 hours.
- Report any information regarding your child’s exposure to COVID-19 or if they are exhibiting symptoms of any illness.

REPORTING

Please report any information regarding your child’s exposure to or possible symptoms of COVID-19 to Cassidy Boyd at kidzone@mtparkhoa.com.
