

Meet the Teacher

JACKIE LOBERGER

About Me

I am teacher Jackie, and I am one of the preschool teachers. I started my education in high school taking early childhood education classes and continued my training through Clackamas Community College working towards my associates in child development. I've been at The Playschool for 6 years; I began as the toddler teacher. Through my years in childcare, I have worked with children ages newborn to school-age. I live in Wilsonville with my husband, Kevin, and our dog, Mambo. We have 3 children. I love to go camping and taking long walks with my dog. Crafting is my favorite hobby and I love creating memories with my family.
