

Meet the Teacher

JORDAN HERTIA

About Me

My name is Jordan and I am one of the preschool teachers. I have been working at The Playschool for 10 years now. Prior to being in the preschool class, I worked in the toddler room as well as the junior preschool. Currently, I am working towards my master's degree in early childhood education at Portland State University.

I got married this past summer to my best friend of 10+ years, Ryan. We have a mini aussiedoodle named Koopa. I love to travel, try new restaurants, and spend time with with my friends and family. I'm addicted to true crime documentaries and podcasts, as well as bubble baths & Peloton bike rides.

Looking forward this school year with you!
