LACEY MEUCHEL

## About Me

Hi, I'm teacher Lacey! I am originally from Montana, but we have explored various places across the country. We've been married for 15 years and have 2 amazing boys, Connor and Carter. I have my bachelor's degree in elementary education and have over 20 years experience working in early childhood education.

I enjoy hiking, watching football and basketball, spending time with my family, and just relaxing!
