

Meet the Teacher

MARJANEH SAMADNOURI

About Me

I'm Marjan and I have been working with children for 21 years. I moved to Mountain Park in 2001 with my husband, Homey, and our two kids from Iran. My oldest son, Ashkan, works in finance and my youngest, Khashi, is a chiropractor.

Some of my hobbies include cooking, shopping, and spending time with my wonderful family.

I love working with my students, they are the best part of my job! I receive positive energy from them every single day.
