

Experience

I have been working with children at The Playschool for 23 years.

All about me

My name is Marjan, and I moved to the Mountain Park area in 2001 with my husband, Homey, and our two children from Iran. My oldest son, Ashkan, is a credit union manager and my youngest son is a chiropractor. Some of my hobbies include cooking, walking, reading, shopping, morning meditation, and spending time with my granddaughter, Sofia, and family.
