CLASS DESCRIPTIONS

Pilates

A full body workout that helps create long, lean muscles. Pilates is performed on a mat on the floor, using gravity and your body's own resistance to work the muscles.

Cycle

Join us for a classic, high-intensity cycling workout. This class is a fun, challenging, and energizing way to get your cardio!

Barre

Barre fuses techniques from dance, pilates, and yoga to tone, define and chisel the body. A perfect combination of strength and flexibility with a cardiovascular element utilizing the barre.

Zumba

Filled with Latin and World rhythms, Zumba delivers a total workout – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class. No experience necessary, every body is welcome! Let's party!

Zumba Gold

The same great Zumba formula at a lower intensity. Each class has a longer warm up and cool down to allow participants a program that improves balance, flexibility, and cardiovascular strength.

Low Impact Dance Aerobics

A low impact, fun filled cardio workout, filled with lots of fun music. Come and join us!

AQUATICS

Aqua Strength & Flex

This class is geared to improve balance and mobility by working out in warmer water. Class taught in the Leisure Pool.

Deep Water Aerobics

This class focuses on aerobic endurance and resistance training to upbeat music. Flotation devices are used so there is no impact on knees and hips. A great workout, come join the fun!

Gym Orientation

Learn more about how to use the fitness equipment in the weight room - both strength and cardio machines - join us for a 30-minute orientation.

Line Dancing

Join us for a fun-filled hour learning one to two line dances per class - so fun you forget your getting fit at the same time!

Body Sculpt

This class is designed to help build strength and endurance. It includes resistance training, body weight exercises and finishes with core training and stretching for a complete workout.

The Body Shop

This class will focus on form and technique while building muscle strength and endurance, along with a little cardio sprinkled in for a full body workout!

Gentle CardioYo

A blend of nonimpact floor cardio movements, followed by basic standing yoga poses with or without very light weights. No yoga experience necessary.

Latin Fusion

Enjoy a 60 min class full of the fun and spicy Latin dance moves you've always wanted to try! Learn the basics of salsa, merengue, bachata, and more. If you like line dance or Zumba, give this class a try.

AquaFit

An active workout designed to improve aerobic fitness, strength, and flexibility.

AquaYoga

An active workout designed to improve balance, strength, and flexibility.

Vinyasa Flow Yoga

This class focuses on the flow of one position to the next, often matched to controlled breathing.

Vinyasa/Yin Yoga

This type of yoga class is a combination of vinyasa flow while also holding a pose for a longer amount of time to get a deeper stretch.

Chair Yoga

Yoga that eliminates the challenge of getting down on the floor with standing, sitting, and mat poses performed on a chair.

Tai Chi

A slow-paced, low impact, gentle movement class based on 24-movement Short Form. Increase balance and enhance well-being.

Yoga Flow & Deep Stretch

Easy Yoga flow and deep stretch to extend and improve flexibility and joint mobility.

Sit & Be Fit

You can utilize a chair, or choose to stand for this class! This class focuses on resistance training in a safe and effective way to give you a full body workout.

L.I.F.T. & Balance (Low Impact Functional Toning)

Workouts focused on proper body mechanics, balance, and alignment to help improve quality of life and decrease risk of injury.

Aqua Fusion

This is a fun, all over cardio, toning and strength class utilizing a variety of different equipment.
