New Levels

We have transitioned to a new way of splitting our classes. Instead of each student registering for a generic "Preschool" or "School Age" class with the classes being split on day one, you will now register directly into a level based on your child's current abilities. **Preschool is now Tiny Turtles 1 & 2** and **School Age is now Fin Friends 1 & 2**.

Club Swim is now Mini Marlins and **Lil Swimmers is now Bubble Buddies**, but these levels still have a single registration for all students.

Level Overview

Bubble Buddies - A parent-in-the-water class for kids 6 months through 2 years old. Focuses on building comfort in the water and preparing your child to be water safe

Tiny Turtles 1 - 3 and 4 year-olds will learn to put their eyes in the water, float with support and kick in proper body position

Tiny Turtles 2 - 3 and 4 year-olds will improve endurance, float independently, and transition between front and back floats

Fin Friends 1 - Kids 5+ will learn to hold their breath, kick in proper body position, float, and learn freestyle basics.

Fin Friends 2 - Kids 5+ will improve their freestyle endurance, learn to side breathe, and learn advanced safety skills while preparing for the lap pool.

Mini Marlins 1 & 2 - Focus on freestyle lap swimming and endurance and backstroke, breaststroke, and butterfly are taught.

Swim Level Placement

New Students:

If you are unsure what level your child should be in based on class descriptions, you can schedule a swim skill assessment with a member of our aquatics staff. Times are available throughout the week. To schedule, email aquatics@mtparkhoa.com or call 503-635-3561.

Current Students:

Your instructor or the aquatics coordinator will assess your child during classes. If you have any questions about what level to register for, talk to your child's instructor or the aquatics coordinator.
